Leading Toward Tomorrow
Creating a Community of Nurse Leaders in Michigan

A leadership immersion program held in three dynamic sessions
August 27-29, September 18-20, and October 23-24, 2013
Embassy Suites in Livonia/Novi
This program is offered by the Michigan Center for Nursing.

What Makes this program in leadership excellence unique?

Leading Toward Tomorrow is an intensive three-session program conceived as an opportunity to provide nurse leaders from across the spectrum of care with the skills needed to excel in today's complex and changing health care environment. This program offers three sessions featuring education through immersion and camaraderie and is an invaluable source for developing long-lasting effective leadership skills. Whether facing hiring, orientation, and staffing issues, team development and customer service concerns, resource allocation, budget analysis or cost saving mandates, nurse leaders will benefit from the program by gaining new perspectives and solutions for the difficult challenges you face on a daily basis.

The Leading Toward Tomorrow Program offers:

- A faculty comprised of Michigan's most influential nurse leaders
- Presentations addressing timely topics across the leadership spectrum
- Opportunities to build invaluable professional relationships in a relaxed atmosphere
- Mentoring from seasoned nurse leaders
- Practical approaches, tools, and innovative techniques to help you problem solve in your professional setting
- Interactive sessions and practical solutions to meet your real time challenges
- A proven curriculum based on national leadership standards

Who Should Attend:

Nurses in leadership and management roles and those who aspire to leadership across the continuum of care are encouraged to enroll in this program. We encourage nurses from long term and acute care settings to participate.

Leading Toward Tomorrow

Leading Toward Tomorrow is a unique immersion program, focused on leadership development for Michigan nurses. Participants will grow as leaders, learning from and interacting with recognized nurse leaders. Each of the three dynamic sessions will feature topics that will help develop new skills and refine existing leadership skills.

Each program cohort will be able to develop a network of colleagues from across the health care spectrum.

There will also be ongoing mentoring and the opportunity to apply new knowledge to real life situations.
