Workshop Description

This open forum, interactive workshop will focus on constructing test items with required difficulty level of the NCLEX. Participants will be given a simple guide to utilize in writing test items and organizing curriculum for NCLEX success.

Faculty, adjunct and program leadership will find this workshop beneficial.

Lodging for the workshop can be reserved at the Holiday Inn Express (517) 548-0100

Workshop Objectives

Participants will learn how to:

- Test: Quickly and effectively transform test items to the application or higher level.
- Align: Evaluate curricula for alignment with NCLEX standards.
- Align: Didactic and clinical teaching to prepare students for challenging exams.
- Prioritize: Make decisions about nice-to-know versus need-to-know content.
